I feel a hunger, it's a hunger
That tries to keep a man awake at night
Are you the answer ? I shouldn't wonder
When I feel you with my appetite

With all the power you're releasing
It isn't safe to walk the city streets alone
Anticipation is running through me
Let's find the key and turn this engine on

I can feel your breathe
I can feel your heart beat faster

Take me home tonight
I don't want to let you go 'til you see the light
Take me home tonight
Listen honey, just like Ronnie sang, "Be my little baby"

I get frightened in all this darkness
I get nightmares I hate to sleep alone
I need some company, a guardian angel
To keep me warm when the cold winds blow

I can feel you breathe
I can feel your heart beat faster

Take me home tonight
I don't want to let you go 'til you see the light
Take me home tonight

Listen honey, just like Ronnie sang, "Be my little baby"
Be my little baby
Just like Ronnie sang, just like Ronnie sang
"Be my little baby, baby my darling"

I feel a hunger, it's a hunger

Take me home tonight
I don't want to let you go 'til you see the light
Take me home tonight
Listen honey, just like Ronnie sang, "Be my little baby"
Take me home tonight

I don't want to let you go 'til you see the light
Take me home tonight
Listen honey, just like Ronnie sang, "Be my little baby"

Josie's on a vacation far away
Come around and talk it over
So many things that I want to say
You know I like my girls a little bit older

I just wanna use your love tonight
I don't wanna lose your love tonight

I ain't got many friends left to talk to
Nowhere to run when I'm in trouble
You know I'd do anything for you
Stay the night but keep it undercover

I just wanna use your love tonight, whoa
I don't wanna lose your love tonight

Try to stop my hands from shakin'
'Cause somethin' in my mind's not makin' sense
It's been awhile since we were all alone
I can't hide the way I'm feelin'

As you're leaving, please, would you close the door ?
And don't forget what I told ya
Just 'cause you're right, that don't mean I'm wrong
Another shoulder to cry upon

I just wanna use your love tonight, yeah
I don't wanna lose your love tonight
Yeah, I just wanna use your love tonight

I don't wanna lose your love tonight

I just wanna use your love tonight

I don't wanna lose your love tonight

(Lose your love)

(Lose your love)

Tonight (lose your love)

No, I don't wanna lose (lose your love tonight)

I don't wanna, no, I don't wanna

I don't wanna lose (lose your love tonight)

No, no (lose your love tonight)

You don't know how you met me

You don't know why

You can't turn around and say goodbye

All you know is when I'm with you, I make you free

And swim through your veins like a fish in the sea, I'm singin'

Follow me, everything is alright

I'll be the one to tuck you in at night

And if you want to leave, I can guarantee

You won't find nobody else like me

I'm not worried 'bout the ring you wear

'Cause as long as no one knows then nobody can care

You're feelin' guilty and I'm well aware

But you don't look ashamed and baby I'm not scared, I'm singin'

Follow me, everything is alright

I'll be the one to tuck you in at night

And if you want to leave, I can guarantee

You won't find nobody else like me

Won't give you money, I can't give you the sky

You're better off if you don't ask why

I'm not the reason that you go astray

And we'll be alright if you don't ask me to stay

(Follow me, everything is alright)

I'll be the one to tuck you in at night

And if you want to leave, I can guarantee

You won't find nobody else like me

Don't know how you met me, you don't know why
You can't turn around and say goodbye
All you know is when I'm with you, I make you free

01 / 02

Looking back over my shoulder
I can see that look in your eye
I never dreamed it could be over
I never wanted to say goodbye

Looking back over my shoulder
With an aching deep in my heart
I wish that we were starting over
Oh instead of drifting so far apart

Everybody told me you were leaving
Funny I should be the last to know
Baby please tell me that I'm dreaming
I just never want to let you go

Looking back over my shoulder
I can see that look in your eye
Turning my heart over and over
I never wanted to say goodbye

I don't mind everybody laughing
But it's enough to make grown man cry
Cos I can feel you slipping through my fingers
I don't even know the reason why

Every day it's a losing battle
Just to smile and hold my head up high
Could it be that we belong together
Baby won't you give me one more try
One more try

Looking back over my shoulder
I can see that look in your eye
I never dreamed it could be over
I never wanted to say goodbye

Looking back over my shoulder
Oh with an aching feeling inside
Cutting me up, deeper and deeper
Fills me with a sadness that I can't hide

Looking back over my shoulder
I can see that look in your eye
I never dreamed no no it could be over
I never wanted to say goodbye

Looking back over my shoulder
I can see that look in your eye

01 / 02

Nobody on the road
Nobody on the beach
I feel it in the air
The Summer's out of reach
Empty lake, empty streets
The sun goes down alone
I'm driving by your house
Though I know you're not home

I can see you
Your brown skin shining in the sun
You got your hair combed back and these
Sunglasses on, baby
And I can tell, you
My Love for you will still be strong
After the boys of summer have gone

I never will forget those nights
I wonder if it was a dream
Remember how you made me crazy
Remember how I made you scream
Now I don't understand what happened to our love
But baby, when I get you back
I'm gonna show you what I'm made of

I can see you
Your brown skin shining in the sun
I see ya walkin' real slow, smiling at everyone
I can tell you
My love for you will still be strong
After the boys of summer have gone

Out on the road today
I saw a Black Flag sticker on a Cadillac
A little voice inside my head said, „Don't look back“
You can never look back
I thought I knew what love was
What did I know ?
Those days are gone forever
I should just let 'em go but

I can see you
Your brown skin shining in the sun
You got the top pulled down and the
Radio on, baby
But I can tell you
My love for you will still be strong
After the boys of summer have gone

I can see you
Your brown skin shining in the sun
You got your hair slicked back and those wayfarers on, baby
I can tell you my love for you will be strong
After the boys of summer have gone

Shake it up is all that we know

Using the bodies up as we go

I'm wakin' up to fantasy

The shades all around aren't the colours we used to see

Broken ice still melts in the sun

And times that are broken can often be one again

We're soul alone

And soul really matters to me

Take a look around

You're out of touch

I'm out of time (time)

But I'm out of my head

When you're not around

You're out of touch

I'm out of time (time)

But I'm out of my head

When you're not around

Oh, oh, oh

Reachin' out for something to hold

Looking for a love where the climate is cold

Manic moves and drowsy dreams

Or livin' in the middle between the two extremes

Smoking guns hot to the touch

Would cool down if we didn't

Use them so much, yeah

We're soul alone

And soul really matters to me

Too much

You're out of touch
I'm out of time (time)
But I'm out of my head
When you're not around
You're out of touch
I'm out of time (time)
But I'm out of my head
When you're not around
Oh, oh, oh
Ooh (oh, oh, oh)

Out of touch

Out of touch

Wow

You're out of touch
I'm out of time
But I'm out of my head
When you're not around
You're out of touch
I'm out of time (time)
But I'm out of my head
When you're not around (oh, 'round)

You're out of touch (we're soul alone, girl)

I'm out of time

But I'm out of my head

When you're not around

You're out of touch

I'm out of time

But I'm out of my head (out of touch, out of time, out of touch)

When you're not around (out of time, girl)

You're out of touch (reach out for something to hold), time

But I'm out of my head

When you're not around

You're too cold, girl (you're out of touch)

Too cold, girl (I'm out of time)

You're too cold, girl, yeah

Okay, and that is (not around)

You're out of touch (out of touch)

I'm out of time (out of time, out of touch)

When you're not around (out of time, girl)

You're out of touch

Yeah, I'm out of time (time)

But I'm out of my head

When you're not around

You're out of touch (focus)

I'm out of time

Hold me
Like the River Jordan
And I will then say to thee
You are my friend
Carry me
Like you are my brother
Love me like a mother
Will you be there ?

Weary, tell me will you hold me ?
When wrong, will you scold me ?
When lost will you find me ?
But they told me
A man should be faithful
And walk when not able
And fight 'til the end, but I'm only human

Everyone's taking control of me
Seems that the world's got a role for me
I'm so confused will you show it to me
You'll be there for me
And care enough to bear me

Hold me (show me)
Lay your head lowly (told me)
Softly then boldly (yeah)
Carry me there (I'm only human)
Lead me (hold me)
Love me and feed me (yeah)
I will feel blessed (I'm only human)

Carry (carry)

Carry me boldly (carry, yeah)

Lift me up slowly (yeah)

Carry me there (I'm only human)

Save me (lift me)

Heal me and bathe me (lift me up, lift me up)

Softly you say to me

I will be there (I will be there)

Lift me (told me, yeah)

Lift me up slowly

Carry me boldly (yeah)

Show me you care (will you be there?)

Hold me (woo)

Lay your head lowly (get lonely sometimes)

Softly then boldly (I get lonely, yeah, yeah)

Carry me there (will you be there ?)

Need me (woo)

Love me and feed me (lift me up, hold me up)

Kiss me and free me (lift me up sometimes, up sometimes)

I will feel blessed (oh-yeah)

So if I stand in front of a speeding car
Would you tell me who you are, and what you like ?
What's on your mind, if I'd get it right ?
How I love that no one knows

And this secret's all that we've got so far
The demons in the dark, lie again
Play pretends like it never ends
This way no one has to know

Even a half smile would have slowed down the time
If i could call you half mine
Maybe this is the safest way to go

We're singing
Heya hey, hey hey
Heya, hey, hey
This is the safest way to go, nobody gets hurt

We're singing
Heya, hey, hey, hey
Heya, hey, hey
This is the safest way to go, nobody gets hurt

We're singing
Heya, hey, hey, hey
Heya, hey, hey
You go back to him and then I'll go back to her

So if I stand in front of a speeding car
Would you give your little heart ? Say the word ?
I'd do it too, just me and you
This way everyone will know

'Cause this secret's all that we've got so far
The demons in the dark, lie again
Play pretends like it never ends
This way no one has to know

Even a half smile would have slowed down the time
If I could call you half mine

We're singing
Heya, heya, heya, heya
Heya, heya, heya

We don't wanna believe it, that it's all gone
Just a matter of minutes, before the sun goes down
We're afraid to admit it, but I know you know, know that
We should've known better, we kept on trying
And it's time that we see it, the fire's dying out
Can't believe that I say this, we're out of chances now
And I just want you to know that

You and me, it was good, but it wasn't right
And it'll be hard, but I know I will make it out
Step by step, I'll move on, and get on with life
So I let go, and I hope, you'll be happy now

You and me, it was good, but it wasn't right
And it'll be hard, but I know I will make it out
Step by step, I'll move on, and get on with life
So I let go, and I hope, you'll be happy now

I hope you'll be happy now
Yeah, I hope you'll be happy now
I hope you'll be happy now
Yeah, I hope you'll be happy now

Yeah, I hope you'll be happy now

I hope you'll be happy now

Thought we would make it, if I just held on
But it's really crazy, how love could fade so fast
We said "forever", but now we're in the past
And I just want you to know that

Pourvu que ma melodie, fasse le tour du monde

Pourvu que ma melodie, fasse le tour du monde

J'ai les idees neuves mais j'ne suis pas a vendre

J'arreterais le son le jour ou je serai bien mais pas avant

J'ai plus que ma melodie fasse de l'auto stop

etre dans la lumiere une fois sur deux tel un stroboscope

Ma musique touche le monde mais elle est intouchable

Si pres du peuple loin des guerres c'est responsable

Si tu connais la bonne zic c'est qu'tu connait dry

Mafia k1 fry pour le pera on a donne grave

Ouais on a perse, perce tous nos rey

Mais moi preso quand j'espere c'est que pour faire du zeil

Audio ou Renault 5 j'veux mon son dans toutes voitures

Ma melodie a la bougeotte c'est un nomade le vois-tu ?

Elle la coix sur calme les malaises

Voir les blessures mais la censure aimerait qu'elle se taise

Elle prend trop de place pour ne squatter les sous-sols

Aucune oreilles lui feme les portes car elle a la clef d'sol.

A force de cogiter j'reponds moi meme a mes question

Sur terre j'ai pas vu de paradis

Ma vie n'est pas une parodis

Triste realite, triste est la melodie

Et j'commence a m'y faire

Mais j'necoute pas que le gens disent

Mais j'necoute pas que le genst disent

Mais j'necoute pas ma vie c'est vie cette melodie

Je puise toute ma force dans l'ecriture et le decennies

Ma melodie vient du 94, 310 elle a connu la haisse,
Les galeres pour 3 centimes
Puis elle a pris des prods forcément du poing dans le biz
Tot au tard on le remarquera comme un point d'enive
J'ecrie mes albums avec mes tripes
Des flow, technique inedites toujours avec mes tripes
J'veux qu'mon son soit ton compagnon d'galere il eset fidele au poste
Indomptable comme un came, j'ai plus rien a prouver
Dans la musique j'ai tout fait fumer
Des kills de sons temps en temps tu m'verre tousser
Elle respire la sante comme si elle avait 20 ans
N'accepte pas le proverbe qui dit que tout a un temps.

A force de cogiter j'reponds moi meme a mes question
Sur terre j'ai pas vu de paradis
Ma vie n'est pas une parodis
Triste realtite, triste est la meleodie
Et j'commence a m'y faire

Yeah, this right here (tell me why)
Goes out to everyone that has lost someone
That they truly loves (c'mon, check it out)

It seems like yesterday we used to rock the show
I laced the track, you locked the flow
So far from hangin' on the block for dough
Notorious, they got to know that
Life ain't always what it seems to be
Words can't express what you mean to me
Even though you're gone, we still a team
Through your family, I'll fulfil your dream (that right)

In the future, can't wait to see
If you open up the gates for me
Reminisce some time, the night they took my friend
Try to black it out, but it plays again
When it's real, feelings hard to conceal
Can't imagine all the pain I feel
Give anythin' to hear half your breath (half your breath)
I know you still livin' your life after death

Every step I take
Every move I make
Every single day, every time I pray
I'll be missin' you
Thinkin' of the day
When you went away
What a life to take, what a bond to break
I'll be missin' you (I miss you, B.I.G)

It's kinda hard with you not around (yeah)
Know you in Heaven, smilin' down
Watchin' us while we pray for you
Every day, we pray for you
'Til the day we meet again
In my heart is where I'll keep you, friend
Memories give me the strength I need to proceed
Strength I need to believe

My thoughts, B.I.G., I just can't define (can't define)
Wish I could turn back the hands of time
Us in the six, shop for new clothes and kicks
You and me takin' flicks
Makin' hits, stages they receive you on
Still can't believe you're gone (can't believe you're gone)

When you went away
What a life to take, what a bond to break
I'll be missin' you (somebody tell me why)

One glad morning
When this life is over
I know I'll see your face

Every night I pray, every step I take
Every move I make, every single day
Every night I pray, every step I take
(Every day that passes is a day that I get closer)
Every move I make, every single day (to seeing you again)
Every night I pray, every step I take

Is it still me that makes you sweat ?
Am I who you think about in bed
When the lights are dim and your hands are shaking
As you're sliding off your dress ?

Then think of what you did
And how I hope to God he was worth it
When the lights are dim and your heart is racing
As your fingers touch his skin

I've got more wit, a better kiss
A hotter touch, a better fuck
Than any boy you'll ever meet
Sweetie, you had me

Girl I was it, look past the sweat
A better love deserving of
Exchanging body heat in the passenger seat
No, no, no you know it will always just be me

Let's get these teen hearts beating faster, faster

So testosterone boys and harlequin girls
Will you dance to this beat and hold a lover close ?
So testosterone boys and harlequin girls
Will you dance to this beat and hold a lover close ?

So, I guess we're back to us
Oh cameraman, swing the focus
In case I lost my train of thought
Where was it that we last left off ?
(Let's pick up and go)

Oh, now I do recall
We were just getting to the part
Where the shock sets in
And the stomach acid finds a new way to make you get sick
I hope you didn't expect to get all of the attention
Now, let's not get selfish
Did you really think I'd let you kiss this chorus?

Let's get these teen hearts beating faster, faster

So testosterone boys and harlequin girls
Will you dance to this beat and hold a lover close ?
So testosterone boys and harlequin girls
Will you dance to this beat and hold a lover close ?

Dance to this beat
Dance to this beat
Dance to this beat

Let's get these teen hearts beating faster, faster
Let's get these teen hearts beating faster

I've got more wit, a better kiss
A hotter touch, a better fuck
Than any boy you'll ever meet
Sweetie, you had me

Girl I was it, look past the sweat
A better love deserving of
Exchanging body heat in the passenger seat
No, no, no, you know it will always just be me

Let's get these teen hearts beating faster, faster

So testosterone boys and harlequins girls
Will you dance to this beat and hold a lover close ?
So testosterone boys and harlequin girls
Will you dance to this beat and hold a lover close ?

So testosterone boys and harlequin girls

Dance to this beat
So testosterone boys and harlequin girls
Dance to this beat
And hold a lover close

Let's get these teen hearts beating faster, faster
Let's get these teen hearts beating faster

Today I changed

Too late 'cause everyone stayed the same

I'm gone so long, break out 'cause I'm better off on my own

Today I changed

But too late 'cause every town feels the same

I'm different and your distant

Add it up and it makes no difference

Everybody's talking 'bout blowin' up the neighbourhood

Everybody's gonna break it up today

Everybody's talking 'bout blowin' up the neighbourhood

Runnin' just to get away

Stuck in America

Stuck in America

I'm lost in America

Stuck in America

Go!

Today I changed

New town with the same old face

One way to shake

This place that I can't escape

Everybody's talking 'bout blowin' up the neighbourhood
Everybody's gonna watch it burn today
Everybody's talking 'bout walking' up the neighbourhood
I'm still tryin' to escape

Stuck in America

Stuck in America

I'm lost in America

Stuck in America today, today

Everybody's talking 'bout blowin' up the neighbourhood
Everybody's gonna break it up today
Everybody's talking 'bout blowin' up the neighbourhood
All I ever wanted was to get away

Stuck in America

Stuck in America

Stuck in America

Stuck in America

Get away (all that shit that you put me through)
Get away (all that shit that you put me through)
Get away (all that shit that you put me through)
Get away (all that shit that you put me through)
Today I changed

This is how we do it

This is how we do it

This is how we do it

This is how we do it

It's Friday night, and I feel alright

The party is here on the West Side

So I reach for my 40, and I turn it up

Designated driver, take the keys to my truck

Hit the 'shaw 'cause I'm faded

Honies in the street say, "Monty, yo, we made it!"

It feels so good in my hood tonight

The summertime skirts and the guys in Kani

All the gangbangers forgot about the drive-by

You gotta get your groove on, before you go get paid

So tip up your cup and throw your hands up

And let me hear the party say

I'm kinda buzzed, and it's all because (this is how we do it)

South Central does it like nobody does (this is how we do it)

To all my neighbors, you got much flavor (this is how we do it)

Let's flip the track, bring the old school back (this is how we do it)

This is how we do it, all hands are in the air

And wave them from here to there

If you're an O.G. mack or a wannabe player

You see the hood's been good to me

Ever since I was a lower-case g

But now I'm a big G

The girls see I go the money
Hundred-dollar bills, y'all
If you were from where I'm from then you would know
That I gotta get mine in a big black truck
You can get yours in a '64
Whatever it is, the party's underway

So tip up your cup and throw your hands up
And let me hear the party say

I'm kinda buzeed, and it's all because (this is how we do it)
South Central does it like nobody does (this is how we do it)
To all my neighbors, you got much flavor (this is how we do it)
Let's flip the track, bring the old school back (this is how we do it)

I'm kinda buzeed, and it's all because (this is how we do it)
South Central does it like nobody does (this is how we do it)
YNV, SCC (this is how we do it), all my homies
I'll never come wack on an old school track (this is how we do it)

Check it out!
Once upon a time in '94
Montell made no money and life sure was slow
All they said was 6'8" he stood
And people thought the music that he made was good
There lived a DJ and Paul was his name
He came up to Monty, this is what he said
"You and OG are gonna make some cash
Sell a million records, and we're making the dash"

Ohh, I'm buzzing because (this is how we do it)
South Central does it like nobody does (this is how we do it)
To all my neighbors, you got much flavor (this is how we do it)
I'll never come wack on an old school track (this is how we do it)

I'm kinda buzzed, and it's all because (this is how we do it)
South Central does it like nobody does (this is how we do it)
Oh, it's party time (this is how we do it)
Straight upcoming from the Westside (this is how we do it)
O.G 's got the flavor, yeah (this is how we do it)
And Monty does it like nobody does (this is how we do it)
C'mon now, Def Jam, you know what it is (this is how we do it)

Son las cinco 'e la mañana y yo no he dormido nada
Pensando en tu belleza, en loco voy a parar
El insomnio es mi castigo, tu amor será mi alivio
Y hasta que no seas mía no viviré en paz
Hoy conocí tu novio, pequeño y no buen mozo
Y sé que él no te quiere, por su forma de hablar
Además, tú no lo amas, porque él no da la talla
No sabe complacerte como lo haría yo
Pero tendré paciencia, porque él no es competencia
Por eso no hay motivos para yo respetarlo

No, no es amor
Lo que tú sientes se llama obsesión
Una ilusión
En tu pensamiento
Que te hace hacer cosas
Así funciona el corazón

Bien vestido y en mi Lexus pasé por tu colegio
Me informan que te fuiste, como un loco te fui a alcanzar
Te busqué y no te encontraba, y eso me preocupaba
Para calmar mi ansia yo te quería llamar
Pero no tenía tu número, y tu amiga ya me lo negó
Ser bonito mucho me ayudó, y eso me trajo la solución
Yo sé que le gustaba, y le di una mirada
Con par de palabritas tu número me dio
Del celular llamaba y tú no contestabas
Luego te puse un beeper y no había conexión
Mi única esperanza es que oigas mis palabras
No puedo, tengo novio
No me enganches, por favor

No, no es amor (Escúchame por favor)
Lo que tú sientes (¿Qué es?) se llama obsesión
Una ilusión (Estoy perdiendo el control)
En tu pensamiento
Que te hace hacer cosas
Así funciona el corazón
(Mi amor, por Dios no me enganches, espérate, que hay más)

Hice cita pa'l psiquiatra, a ver si me ayudaba
Pues ya no tengo amigos por solo hablar de ti
Lo que quiero es hablarte, para intentar besarte
¿Será posible que de una obsesión me pueda morir?
Y quizás pienses que soy tonto, privón y también loco
Pero es que en el amor soy muy original
Me enamoro como otros, conquisto a mi modo
Amar es mi talento, te voy a enamorar
Disculpa si te ofendo, pero es que soy honesto
Con lujo de detalles, escucha mi versión
Pura crema y chocolate, untarte y devorarte
Llevarte a otro mundo en tu mente, corazón
Ven vive una aventura, hagamos mil locuras
Voy a hacerte caricias que no se han inventa'o

(Let me find out)

No es amor, no es amor, es una obsesión (Oh, no)

No es amor, no es amor (No, no), *es una obsesión* (No, woah)

No es amor, no es amor, es una obsesión (No, woah)

No es amor, no es amor (Uuh), *es una obsesión* (Yeah, yeah, yeah, uh)

No es amor, no es amor, es una obsesión

When I was young, it seemed that life was so wonderful
A miracle, oh it was beautiful, magical
And all the birds in the trees, well they'd be singing so happily
Oh joyfully, oh playfull watching me

But then they send me away to teach me how to be sensible
Logical, oh responsible, practical
And then they showed me a world where I could be so dependable
Oh clinical, oh intellectual, cynical

There are times when all the world's asleep
The questions run too deep
For such a simple man
Won't you please, please tell me what we've learned
I know it sounds absurd
Please tell me who I am

I said, watch what you say or they'll be calling you a radical
A liberal, oh fanatical, criminal
Won't you sign up your name, we'd like to feel you're acceptable
Respectable, or presentable, a vegetable!
Oh take it, take it, take it, yeah

But at night, when all the worlds asleep
The questions run so deep
For such a simple man
Won't you please (Oh won't you tell me)
Please tell me what we've learned (Can you hear me)
I know it sounds absurd (Oh won't you help me)
Please tell me who I am

Who I am

Who I Am

Who I am

Cause I was feeling so logical

D-d-d-d-d-d-digital

One, two , three, five

Oh, oh, oh, oh yeah

Ooh it's getting unbelievable, yeah

Hey, girl, is he everything you wanted in a man?

You know I gave you the world (world)

You had me in the palm of your hand

So why your love went away

I just can't seem to understand

Thought it was me and you, babe (babe)

Me and you until the end

But I guess I was wrong (uh)

Don't want to think about it (uh)

Don't want to talk about it (uh)

I'm just so sick about it

Can't believe it's ending this way

Just so confused about it (uh)

Feeling the blues about it (yeah)

I just can't do without ya

But tell me, is this fair?

Is this the way it's really going down?

Is this how we say goodbye?

Should have known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

'Cause I know that you're living a lie

But that's okay, baby, 'cause in time you will find

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah

Now girl, I remember everything that you claimed
You said that you were moving on now (on now)
And maybe I should do the same (maybe I should do the same)
The funny thing about that is

I was ready to give you my name
Thought it was me and you, baby (baby)
And now it's all just a shame
And I guess I was wrong, yeah

Don't want to think about it (no)
Don't want to talk about it (huh)
I'm just so sick about it
Can't believe it's ending this way

Just so confused about it (uh)
Feeling the blues about it (yeah)
I just can't do without ya can you tell me, is this fair?

Is this the way it's really going down?
Is this how we say goodbye? (Uh)
Should have known better when you came around
Should have known better that you were gonna make me cry
And now it's breaking my heart to watch you run around
'Cause I know that you're living a lie
But that's ok, baby, 'cause in time you will find

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah

What goes around comes around (comes around, comes around)
Yeah
What goes around comes around (comes around, comes around)
You should know that

What goes around comes around (comes around, comes around)
Yeah (yeah)
What goes around comes around (comes around, comes around)
You should know that

Yeah, don't want to think about it (no)
Don't want to talk about it (uh)
I'm just so sick about it
Can't believe it's ending this way

Just so confused about it (uh)
Feeling the blues about it (yeah)

Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah (yeah babe)

Let me paint this picture for you, baby (yo, yo) (uh)

You spend your nights alone and he never comes home
And every time you call him all you get is a busy tone

I heard you found out
That he's doing to you what you did to me
Ain't that the way it goes

When you cheated, girl
My heart bled, girl
So it goes without saying that you left me feeling hurt
Just a classic case scenario
Tale as old as time girl, you got what you deserved

And now you want somebody to cure the lonely nights
You wish you had somebody that could come and make it right

But girl, I ain't somebody with a lot of sympathy
See, see (uh)

I thought I told ya, hey (hey)
(What goes around comes back around)
I thought I told ya, hey (hey)

I thought I told ya, hey (hey)
(Ha, what goes around comes back around)
I thought I told ya, hey (hey)

Take it to him
Hey, hey, hey, hey, hey, hey, hey
Take it to him
See (hey, hey, hey, hey, hey, hey)
You should have listened to me, baby
Take it to him
(Hey, hey, hey, hey, hey, hey)
(Hey, hey, hey) Take it to him
(Hey, hey, hey, hey, hey)
Uh
Hey girl
Because what goes around comes back around

Yo, yo, yo

Yo, yo, yo, yo

Yo

See, it's rare that you find people like us

Cause all y'all other ... (look)

Out there doing what I'm doing

Or try to do what I'm doing

But you can't 'cause I do what I do, my way

What about you?

Huh?Huh?! Come on!

I do

Any and everything you want to

Make your girl say, "Oooh, oooh

Why is he so fly-I-I?

She beeps me

Ever since she wanna get freaky

You can get mad if you want to, do whatever you want

But she still gon' give it up

She likes it...

My way, my way

You can't satisfy her needs

She keeps running back to see me do it

My way, my way

What I say, goes

And I'm in control

Bad ass, senioritas, two-seaters with kicks
New kicks, all in the mix
I don't turn no tricks, they turn for me
Catching bricks don't concern me
So forget it, little midget
My mind on seven digits
Before I pay Heaven skies a visit, not dig it
I'm pulling all stops, locking down all spots
Saying "You, can't front"
So, from this day forth, you know I'm all about heat
And what I do be the Major League
That's why your girlfriend's paging me
And she know like he know
You don't see her like I see her, so she's out the door
Shotgun in my drop, having fun
With the Don, system bassing, conversation
About how she been chasing me
And facing me, saying, "Give it to me now, baby"

My way, my way
You can't satisfy her needs
She keeps running back to see me do it
My way, my way
What I say, goes
And I'm in control

Don't check me
It was your girl who let me
Take it this far, then, ooh wee!
Let her have it every chance that she could get
What, you think you a baller ?
And I ain't gon' call her, clip that
You can get mad if you want to, say whatever you want
But she still gon' give it up
She likes it ...

My way, my way
You can't satisfy her needs
She keeps running back to see me do it
My way, my way
What I say, goes
And I'm in control
My way, my way
You can't satisfy her needs
She keeps running back to see me do it
My way, my way
What I say, goes
And I'm in control
My way, my way
You can't satisfy her needs
She keeps running back to see me do it
My way, my way
What I say, goes
And I'm in control

You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

Here's how it goes, you and me
Up and down but maybe this time we'll
Get it right, worth the fight
'Cause love is something you can't shake
When it breaks all it takes is some tryin'

If you feel like leaving
I'm not gonna beg you to stay
But soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

So if you go you should know
It's hard to just forget the past
So fast, it was good
It was bad but it was real and that's
All you have, in the end our love mattered

If you feel like leaving
I'm not gonna beg you to stay
But soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

You can run (You can run)
You can hide (You can hide)
But you can't escape my love (My love)
You can run (You can run)
You can hide (You can hide)
But you can't escape my love

Here's how it goes
All it takes is some tryin'
Baby, you can run

If you feel like leaving
I'n not gonna beg you to stay (I wont beg you to stay)
But soon you'll be finding (You'll be finding)

You can run

C'è un un cielo azzurro e un asfalto rovente

C'è bisogno di te e di un mare di gente

C'è una spiaggia ora deserta

Che si riempira tra poco

E ogni cosa all'improvviso

Ricomincerà di nuovo

C'è un incendio nel cuore e nessuno lo spegne

E qualcuno di spora ascolta musica sempre

C'è un pallone che vola e un bambino che grida

Ma anche questa volta non è ancora finita

E lo sai che c'è tutta la vita davanti stanotte

E il futuro dipende da dove lo guardi a volte

Voglio ancora cantare e guardarti ballare

Niente di eccezionale

Voglio un'estate normale

Voglio un'estate normale, niente di eccezionale

Solo un'estate normale, normale, normale

C'è il sole nel cielo che spacca le pietre

Anche di notte, quando nessuno lo vede

C'è un muro che parla d'amore

E qualcuno che pi non ci crede

Cerchiamo l'acqua su Marte ma qui si muore di sete

C'è una radio che passa canzoni che non conoscevo

E strano come adesso non so più farne a meno

E lo sai che c'è tutta la vita davanti stanotte
E il futuro dipende da dove lo guardi a volte
Voglio ancora cantare e guardarti ballare
Niente di eccezionale, voglio un'estate normale
Voglio un'estate normale, niente di eccezionale
Solo un'estate normale, normale, normale

C'è una voglia che nasce poi cresce come il vento
E ci siamo noi, non ti basta tutto questo
E lo sai che c'è tutta la vita davanti stanotte
E il futuro dipende da dove lo guardi a volte

Voglio ancora cantare e guardarti ballare
Niente di eccezionale, voglio un'estate normale
Voglio un'estate normale, niente di eccezionale
Solo un'estate normale, normale, normale

It'd never be the same (It'd never be the same)

If you're not here

How can you stay away (How can you stay)

Away so long ? (Away so long ?)

Why can't we stay together ? Oh-oh

Just give me a reason. Give me a reason!.

'Cause I, I don't want to say it's

I, I, can't resist

Trying to find exactly what I miss

It's just another day without you

Making the time

What do I have to tell you ?

I'm just trying to hold on to something (Trying to hold on to something good)

Oh-oh

Yes, I'm Siskel, yes I'm Ebert

You've had enough of two-hand
touch, you want it rough, you're
out of bounds
I want to you smothered, want you
covered, like my Waffle House hash
browns

Come quicker than Fed
Ex, never reaching

But I got this notion that
the motion of your ocean,
means "small craft advisory"
So if I capsize in your

Please turn me on, I'm Mr.

So show me yours I'll show

Tommy used to work on the docks

union's been on strike

He's down on his luck

it's tough, so tough

Gina works the diner all day

Working for her man, she brings home her pay for love

Mmm, for love

She says, "We've gotta hold on to what we've got

It doesn't make a difference if we make it or not

We got each other, and that's a lot for love

We'll give it a shot"

Whoa, we're half way there

Oh-oh, livin' on a prayer

Take my hand, we'll make it, I swear

Oh-oh, livin' on a prayer

Tommy's got his six-string in hock

Now he's holding in what he used to make it talk

So tough, ooh, it's tough

Gina dreams of running away

When she cries in the night, Tommy whispers

"Baby, it's okay, someday

We've gotta hold on to what we've got
It doesn't make a difference if we make it or not
We got each other, and that's a lot for love
We'll give it a shot"

Oh, we're half way there
Oh-oh, livin' on a prayer
Take my hand, we'll make it, I swear
Woah-oh, livin' on a prayer
Livin' on a prayer

Ooh, we gotta hold on, ready or not
You live for the fight when that's all that you've got

Whoa, we're half way there
Whoa-oh, livin' on a prayer
Take my hand, and we'll make it, I swear
Whoa-oh, livin' on a prayer

Whoa, we're half way there
Whoa-oh, livin' on a prayer
Take my hand, and we'll make it, I swear
Whoa-oh, livin' on a prayer

Whoa, we're half way there
Whoa-oh, livin' on a prayer
Take my hand, and we'll make it, I swear
Whoa-oh, livin' on a prayer

Whoa, we're half way there

Whoa-oh, livin' on a prayer

Take my hand, and we'll make it, I swear

Whoa-ah

Ese amor llega así de esta manera
No tiene la culpa
Caballo de danza vana
Porque es muy despreciado por eso
No te perdona llorar

Ese amor llega así esta manera
No tiene la culpa
Amor de compra y venta
Amor de en el pasado
Bem, bem bem bem, bem bem bem
Bem, bem bem bem, bem bem bem

Bamboleo bambolea
Porque mi vida yo la prefiero vivir así
Bamboleo bambolea
Porque mi vida yo la prefiero vivir así
No tienes perdón de Dios

Tu eres mi vida la fortuna del destino
En el destino del desamparado
Lo mismo ya que ayer
Lo mismo soy yo
No te encuentro el abandono

Eres imposible no te encuentro de verdad

Por eso un día no encuentro si de nada

Lo mismo ya que ayer

Lo pienso en ti

Bamboleo bambolea

Proque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Bamboleo bambolea

Porque mi vida yo la prefiero vivir así

Na, Na, Na, Na, Na

Na, Na, Na, Na, Na

Na, Na, Na, Na, Na

Na, Na, Na, Na, Na, Na, Na

Chocbym zyl jeszcze tysiac lat
chce juz tylko zyc jak dzis, trzymac ciagle rytm (ej)
Chocby dym pokryl caly swiat
Wracac bede do tych chwil, szkoda tracic sil

Bo ciagly brak proporcji – zycie albo sen
Jesli swiat sie konczy, prosze nie budz mnie
Juzro juz nieistotne jest
Wiec za to napijmy sie napijmy sie!

A ja lubie ten stan jak smiech I pare Promieni Slonca
Zostac Tam, Gdzie chcesz, nie tam, Gdzie kaza nam koszta
Zadna lza na sen nie bedzie czekac nas co dnia
Tylko day mi jeszcze sprobować, czym jest zycia smak

Bo ja lubie ten stan jak smiech I pare Promieni Slonca
Zostac Tam, Gdzie Chcesz, nie tam, Gdzie Kaza Nam Koszta
Zadna Lza Na Sen Nie Bedzie Czekac nas co dnia
Tylko Daj Mi Jeszcze Sprobować, Czym Jest Zycia Smak

Czym jest zycia smak ...

Za młodzi na lek, Pracuje Za Dowch, Za Czterech Mam Gest
Dzis Zyje Za Trzech, Podnosimy puls, za starzy na gniew, wrzucamy znow bieg
Zabieram Brygade, Co Wierzyli Dawno juz we mnie, Zmieniamy zycia na Lepsze
Trzydziesci stopni na wietrze, szczescie na zawsze I WsZedzie

Uciekam Przed siebie, juz nic mnie nie goni Jak Pare Lat Wczesniej
Ubieram usmiech Kobiecie I Wtedy Wyglada Najdrozej Na Siwecie
Zapamietajmy te chwile, bo walczylem o nie jak z ? Spojrzeniem
Trzydziesci wiosen juz Prawie, by w koncu sie nazwac Szczesliwym Czlowiekiem

A ja lubie ten stan jak smiech I Pare Promieni slonca
Zostac Tam, Gdzie chesz, nie tam, Gdzie Kaza Nam Kostza

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters

Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

I never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Every mind for a different view
And nothing else matters

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know

Yeah

So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
No, nothing else matters

Where do I take
this pain of mine
I run but it
stays right by my side

So tear me open, pour me out
There's things inside that
scream and shout

And the pain still hates me
So hold me ...

until it sleeps

Just like a curse,
just like the stray
You feed it once and now it stays
Now it stays

So tear me open, but beware
There's things inside without a care

And the dirt still stains me
So wash me until I'm clean

It grips you so hold me

It stains you so hold me

It hates you so
hold me

It holds you so
hold me

Until it sleeps ...

So tell me why you've
chosen me

Don't want your grip
Don't want your greed
Don't want it

I'll tear me open, make you gone
No more can you hurt anyone

And the fear still shapes me
So hold me ...

Until it sleeps

It grips you so
hold me

It stains you so hold me

It hates you so
hold me

It holds you,
holds you,
holds you

Until it sleeps.

I don't want it,
want it, want it, want it ... NO

So tear me open, but beware
There's things inside
without a care

And the dirt still
stains me
So wash me til I'm clean

I'll tear me open, make you gone
No longer will you hurt anyone

And the hate still shakes me
So hold me ...

Until it sleeps

Until it sleeps

Until it sleeps

Until it sleeps ...

The Heat is on, on the street
Inside your head, on every beat
and the beat's so loud, deep inside

The Pressure's, just to stay alive
'Cause the heat is on

Oh-wo-ho, oh-wo-ho
Caught up in the action I've been looking out for you
Oh-wo-ho, oh-wo-ho

(Tell me can you feel it)
(Tell me can you feel it)
(Tell me can you feel it)

The Heat is on, The Heat is on, The Heat is on
Oh It's on the street, The Heat is on

Oh-Wo-Ho, Oh-Wo-Ho
Caught up in the action I've been looking out for you
Oh-wo-ho, oh-wo-ho

(Tell me can you feel it)
(Tell me can you feel it)
(Tell me can you feel it)

The Heat is on (yeah) the Heat is on, The Heat is on
(Burning, Burning, Burning)
It's on the street, the heat is on

The shadows high on the darker side

Behind the doors, it's a wilder ride

You can make a break, you can win or lose

That's a chance you take, when the heat's on you

When the heat is on

Oh-wo-ho, oh-wo-ho

Caught up in the action I've been looking out for you

Oh-wo-ho, oh-wo-ho

(Tell me can you feel it)

(Tell me can you feel it)

(Tell me can you feel it)

The Heat is on (yeah) The Heat is on, The Heat is on

(Burning, Burning, Burning)

It's on the street, The Heat is on

(I can feel the fire)

The Heat is on (Flames are Burning Higher)

The Heat is on (Baby can't you feel it)

Yeah, It's on the street (ooh, oh)

The Heat is on (I can feel it the fire)

The Heat is on (Flames are Burning Higher)

Oh, Oh Oh !
Les yeux plus gros que le monde !
Dr Beriz
Big Back M

Et on disait qu'il avait trop d'style
Et qu'il vendait du reve aux ladies
Et pour lui personne ce faisait de bill
Pas besoin d'cogiter t'as d'ja tilite
Et quand il chantait il faicait la dif
Et avec ses melodies on oubliait la crise
Renoï ce prend la tete disait : Ainsi soit il
Pas besoin d'cogiter t'as d'ja tilte

Na Na Na Na Na Na Na Na
Na Na Na Na Na Na Na Na

Hello Beriz ! Euh ...
Comment vas-tu depuis Wati euh ...
Comment leurs dire que c'est moi l'king ? Euh ...
C'est moi qui vous dicte le chapitre
Reveur, on me dit que j'suis che-per
Mais le Big Black M il a ce-per
Et on dit que la chute elle est severe
Mais le debrouillard il sait faire

J'ai le sang du daron de la Guinee
Comme j'ai le sang d'un rappeur qui sait kicker
Je me fous de vos ideales cain-ri,
c'est pas eux qui me donne le maro
Je ne suis pas dans les delires L.A,
quand le soleil frappe je suis plutot Maroc
Gros son pour les reufres
Il faut que tout le monde chante mon refrain

Et on disait qu'il avait trop d'style
Et qu'il vendait du reve aux ladies
Et pour lui personne ce faisait de bill
Pas besoin d'cogiter t'as d'ja tilite
Et quand il chntait il faisait la dif'

Je voulais juste prendre mes loves
Sans pour autant vouloir etre mauvais
M'en voulez pas d'avoir innove
Oh ! Tout vos sons me donne la nausee
J'etait au tier-quart souvent pose
J'voulais que personne vienne me causer
Je voulais juste dreamer, m'sauver
Fuck l'Interim j'preferais chomer

Beaucoup ont dit qu'je finirai paumer
 J'avais que Sesion pour m'epauler
 J'etais souvent dur et en colere
 Oui je n'aimait pas l'systeme scolaire
 J'avais du mal avec les horaires
 Et mes ennemies j'disait j'les aurait
 Je ne suis pas la pour decorer
 Non renvoi faut pas deconner

Et on disait qu'il avait trop d'style
 Et qu'il vendait du reve aux ladies
 Et pour lui personne ce faisait de bill

Si j'ai les yeux plus gros que le monde
 C'est que j'ai du voir ce qu'on vu tout les
 grands de ce monde
 N'est-ce pas ? Jai que ma gueule,
 ma musique et mon style
 Pour m'en sortir j'ai du transmettre ma
 peine sur mes titres mon gars

Laciatemi cantare
con la chitarra in mano
lasciatemi cantare
sono L'italiano

Buongiorno Italia gli spagehetti al dente
e un partigiano come Presidente
con l'autoradio sempre nella mano destra
e un canarino sopra la finestra

Buongiorno Italia con i tuoi artisti
con troppa America sui manifesti
con le canzoni con amore con il cuore
con piu' donne sempre meno suore

Buongiorno Italia buongiorno Maria
con gli occhi pieni di malinconia
buongiorno Dio
lo sai che ci sono anch'io

Lasciatemi cantare
con la chitarra in mano
lasciatemi cantare
una canzone piano piano

Lasciatemi cantare
perche' ne sono fiero
sono L'italiano
L'italiano vero

Buongiorno Italia
che non si spaventa
e con la crema da barba alla menta
con un vestito gessato sul blu
e la moviola la
domenica in TV

Buongiorno Italia col caffè ristretto
le calze nuove ne primo cassetto
con la bandiera in tintoria
e una 600 giu' di carrozzeria

Buongiorno Italia buongiorno Maria
con gli occhi pieni di malinconia
buongiorno Dio
lo sai che ci sono anch'io

Lasciatemi cantare
con la chitarra in mano
lasciatemi cantare
una canzone piano piano
Lasciatemi cantare
